

# CHILDREN'S BOOK WRITING

## A CHECKLIST

- ( ) **Define your audience.** In children's books, this means defining your readers' age group.
- ( ) **Nail the structure.** Determine how the book will work, where your illustrations will be, and how much text you want.
- ( ) **Choose your writing style.** There is no right or wrong. Choose a style and stick to it.
- ( ) **Add important elements.** There's no universal formula but you'll know your book is a success if children read it over and over again.
- ( ) **Make your book online.** Go to BookBildr, create your free account, and choose your preferred book format.
